I need to get my NMLS license. What do I do?

Do I need 20 Hrs of Education?

I do not have a Texas Mortgage Broker or LO License

I have an UNEXPIRED Texas MB/LO License

Yes, you need the new 20 hrs

No. the hours that you have taken to get and renew your license cover your 20 hrs!

What tests do I need to take?

I've never taken a test before

I already took the Texas MB/LO test after Sept 2004

You need to take the Texas exam and the National exam

You only need to take the National test by registering in the NMLS system
